

50+ ADULT ANGEL TREE PROJECT OVERVIEW 2020

This program is intended to reach adults aged 50+ living in their own home in the Cranbrook area, who may not otherwise have a gift to open on Christmas Day. In 2020, we hope to gift over 100 people!

NOMINATIONS: any qualified source can nominate someone to the program (ie support worker, healthcare provider, church leader, neighbour, family member). People can also self refer. Those making nominations should know the situation and feel nominees will benefit from and appreciate the program.

NOMINATION FORMS:

- **Blank forms** can be picked up at Save-On-Foods Cranbrook, the Cranbrook Chamber of Commerce or Cranbrook Family Connections or requested by email or Facebook private message (see contact information below)
- **Completed forms** can be scanned or photographed and emailed to us or dropped off at Save-On-Foods, Cranbrook Chamber of Commerce or Cranbrook Family Connections.

THE PROCESS FOR GIFT GIVING:

- Relevant non-identifying information - including the nominee's Christmas Wishes – is noted on an Angel Card and added to the Angel Tree at Save-On-Foods Cranbrook.
- Caring community members select a card (or cards) from the tree and purchase an appropriate gift(s) (suggested maximum \$25). Watch local stores for Black Friday specials!!
- Unwrapped gifts are to be dropped off at the Cranbrook Chamber of Commerce or Cranbrook Family Connections (see hours of operation below). **The Angel Card must be attached.** Donors are welcomed to provide packaging and gift-wrapping materials (ie boxes, gift bags, wrapping paper) and are encouraged to include a Christmas Greeting card (need not be signed). Volunteers will wrap and deliver the gifts.

Sponsors are needed to "adopt" any unclaimed Angel Cards and ensure all requests are answered. If you are interested in sponsoring an unclaimed Angel or providing cash or gift cards, please contact us.

If you are interested in helping to start an Angel Tree Project in another community, please contact us.
