OTHER INFORMATION

BE AN ANGEL! *Gift Purchase & Delivery (to the committee)*

An Angel Tree will be set up at Save-On-Foods in Cranbrook by Monday, November 16. Community members are encouraged to visit the tree, choose a coded Angel Card (no names will be used), purchase the requested gift and deliver it to the Bean Tree - unwrapped, including the coded Angel Card - by Friday, December 18.

You can be assigned a gift without visiting the Angel Tree. Email us with the number of gifts you would like to provide (betterathome@ccssebc.com) and any special information (for example, if you have something special you wish to give). We will match the gift(s) to a suitable recipient. Cash contributions of any size will be accepted and used to purchase gifts for any unclaimed Angel Cards. One gift is valued at \$25 unless otherwise noted.

GIFT DELIVERY *(to the nominees)*

Volunteers will deliver gifts to the nominees between December 19 and 23 unless other arrangements are made. Organizations wishing to collect gifts to deliver themselves may contact us to discuss this possibility.

DISCLAIMER

All gifts are purchased by local families, individuals, businesses, or organizations who are hoping to help make Christmas a joyous occasion for all. Volunteers wrap the gifts and arrange for delivery to the intended recipient. The volunteers and agencies involved have no control over the choice or value of the gifts purchased or what happens to the gifts post-delivery. We can only hope that the spirit of giving is contagious, and that the gifts bring joy, happiness and the understanding that we care.

THE PROJECT & *Those Who Make It Possible*

The Adult Angel Tree Project was born during a winter 2018 conversation on the Facebook page “Paying it Forward • Kindness in the Kootenays”. It is offered by a group of strangers.... caring community members who came together with support from Cranbrook Better at Home to share the joy of Christmas. The group specifically identified that they wish to help those who are still living in their own homes.

THANK YOU to our Year 2 Collaborators and to Kimberley Partners for joining this year!
